ROCKY POINT ICE CREAM – 2025 HIRING APPLICATION FORM

OUR REQUIREMENTS

We expect our team members to be courteous, friendly, and engaging – every customer gets a smile and a welcome. We want our customers to feel great about their visit and our scoop team is a huge part of it. We expect you to treat everyone, especially your scoop mates, with professionalism and respect. We want you to have fun at work, but at the same time, we expect you to behave – we do not tolerate horseplay or harassment of any kind directed towards customers, other team members, or anyone else you come into contact with.

As much as we'd love to allow everyone the flexibility to work whenever is most convenient for them, the reality of our business is that most of our customer traffic occurs in the **evenings and on the weekends**, especially weekend nights. So those are the important times when we need you to be available to work so that our customers get the great experience that they deserve.

School responsibilities should come first, so we'll be as flexible as possible in scheduling shifts around your school or sports schedule within reason and notice. In return, we ask that you be flexible in understanding that if the weather is cold or rainy, your shift may be canceled.

A job requirement is that you be 'available' to work **every weekend** during the summer (within reason: one or two missed weekends during the summer is understandable, provided you've let us know at least one month in advance.) **If you can't commit to this, please don't apply!**

A strong work ethic is extremely important to our success. If you are scheduled to work, it is expected that you will make every possible effort to make that shift. Not showing up for an assigned shift (which is considered job abandonment) will result in immediate loss of your job.

I have read and understand the requirements listed above, and I promise that I can commit to them.
